Missionaries to Portland, Maine

Dear Pastors and Prayer Warriors,

Greetings from the deputation trail! The past two months seem to have flown by as we have traveled over 5,000 miles and been in 12 states while presenting our burden for Portland. God allowed our family to present the ministry in North Carolina, Virginia, Pennsylvania, and New Hampshire. He also gave us the opportunity to be a part of three Missions Conferences during the month of October in New York, New Hampshire, and Rhode Island. I love participating in conferences and seeing how each church utilizes and encourages missionaries. During these conferences we served in a variety of ways: Q&A sessions, teaching children's classes, presenting the ministry, and preaching the Word. It is an honor when a Pastor affords me the opportunity to stand behind the sacred desk. Throughout our travel, the Lord blessed in many areas:

Trey & Ashlyn
Everleigh, Kaeleb, Kaeden

Back in Bible College, my wife and I would participate in Seedline Projects through the ministry Bearing Precious Seed out of Milford, Ohio. During our conference in New York, I was able to assemble Scripture for the first time with our daughter, Evie, through another Seedline Project. I couldn't help but get emotional over her excitement in playing a small role in the Scripture assembly. She held up one of the John and Romans and with a smile on her face said, "Daddy, maybe someone will be in Heaven because they read this exact book!" I pray that God would allow that to happen!

One of the meetings we were able to attend was the fall "Save New England" Conference in Rhode Island. Our family was strengthened and encouraged by the fellowship, impactful sessions, and powerful preaching the meeting provided. It was tremendous to meet some of the Men of God and others that are serving in the region where my heart has been set

aflame. On the final night of the conference, I was able to present our burden with two other church planters. It is exciting to see that other men are answering the call to New England! I am looking forward to serving alongside them to help strengthen the Gospel light throughout the region.

In celebration of Pastor Appreciation Month, my sending church gave our Pastor a much-needed month of rest and recovery! I was able to moderate and preach several of the services. One Sunday morning, I preached a message entitled "Almost Persuaded" out of Acts 26. During the invitation, a man named Devin came forward and called upon Christ for his Salvation! Last Sunday, he followed the Lord in Believer's Baptism. He was one of ten our church had the privilege of seeing baptized over the last two months.

Other praises include a young man approaching me after a service during a Missions Conference and telling me that God used my testimony to break his heart for American church planting. How incredible it was to watch him tell his Pastor and surrender to the call! Our family also celebrated Evie's second spiritual birthday on October 27.

We are humbled to partner with several new churches and are thankful for the opportunity to be their representatives to Portland, Maine. Thank you for your faithful prayers! If you are interested in having us present the ministry in your church, please don't hesitate to reach out. You can contact me through calls, texts, emails or our website. How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? Romans 10:14
